

FIRST CLASS MAIL

A Philmont Mobile Radio Club Publication

P.O. Box 207  
New Britain, PA 18901

the blurb

**THE BLURB** is published monthly by and for the members of The Phil-Mont Mobile Radio Club, Inc. Our purpose is to promote Amateur Radio in general and Mobile Radio in particular. Copying and quoting is permitted with a credit line. We gladly exchange publications with other clubs and requests should be sent to The Editor. **THE BLURB** subscriptions are available to non-members for \$6.50 addressed to the Treasurer. The Club meets on the first Monday(mostly) of every month at 8:00 p.m. in the Franklin Institute, 21st St. & Benjamin Franklin Parkway, Philadelphia, Pa.

ALL VISITORS ARE WELCOME !

#### 1985 OFFICERS

President - Howard "Gil" C. Gilpin, W3SRU, 652 Sumneytown Pike, North Wales, PA 19454  
 Vice - C. "Rick" R. Spencer, III, N3DHI, 2809 M., Carmel Avenue, North Hills, PA 19038  
 Secretary - Virginia "Jinny" J. Haring, W3IIN, 2113 Edgehill Drive, Furlong, PA 18925  
 Treasurer - Edward "Ed" Misarsky, KB3IV, 13 Poe Avenue, Wyncote, PA 19095  
 Directors - W3ZPP (85), K3GNM (85), W3BBB (86), W3VVS (86), W3RM (A), W3IIM (A), & N3ADI (A).

#### THE CLUB STATIONS -

W3RQZ, 1176 Old York Road, Abington, PA 19001 Trustee - W3VVS  
 W3QV, 8200 Ridge Avenue, Philadelphia, PA 19128 Trustee - W3BBB  
 W3TKQ, The Franklin Institute, Philadelphia, PA 19102 Trustee - W3PWG

EDITOR-Woody Haldeman, W3PST, P.O. Box 207, New Britain, PA 18901  
 Art Work-Sam Kuncevich Contributing Editors - W3IIM & WB3KOJ  
 Typist - W3IIN Swap 'n' Shop - W3BBB

**DEADLINE** - To be assured of current publication, all copy MUST be in the hands of the EDITOR by the fifteenth of the month, or, at the Board of Directors' Meeting, whichever is earlier.

## Phil-Mont Net Schedule

Sunday	Mon	Tuesday	Wednesday	Thursday
09:30 147.030 MHz FM	20:00 147.030 MHz FM	20:00 147.030 MHz FM	20:00 147.030 MHz FM	
10:00 29.000 MHz SSB		Personalized CW Practice Net		
10:20 3.993 MHz SSB		TRIPLE B-S NET Bigger, Better, Buys from your Stop, Shop & Swap Net	BULLETIN NET	
Coming in January: 09:00 14.235 MHz SSB PMRC's SNOWBIRD Net				

Thanks to Rick for persisting with the arrangements for the planetarium show. He wasn't sure that the new powers-that-be at the institute were going to be as cooperative as in the past, but everything worked out OK, thanks to WB3BOD and all concerned.

de W3IIM

#### SPECIAL SERVICE EVENTS

#### PHILADELPHIA DISTANCE RUN

Phil-Mont once again assisted the LBARA club in handling communications for this half-marathon. KA3HWD was net control, operating from the Bell Telephone Building on the Parkway. WB3CMM coordinated operations. Phil-Monters operating were WB3CMM, WB3KOH, WB3KOJ, KA3MHO and W3SRU. The first three men to finish the race broke the world's record.

#### JUVENILE DIABETES FOUNDATION WALKATHON

K3ZKO requested that Phil-Mont provide communications assistance for this event which was being held for the first time. MO-COM operated from a location near the Art Museum. Mobiles were located at 7 check positions along the route. Mobile ATV with a CRT monitor at MO-COM was experimented with. Phil-Monters participating were MO-COM, N3DHI, KA3MHO, WB3BOD, W3LKI (and Mim) and W3SRU. Other operators included K3ZKO, KA3OKP, KT3U and K2OJL.

#### NEW NET COMING IN JANUARY!

There'll be a new Sunday morning net beginning January 5th. W3SGR will be the NCS for the PMRC SNOW BIRD NET every Sunday morning at 09:00 near 14.235mhz (ssb). Don't miss it!

To late to Classify - The Nominating Committee is still searching for ways and means (legally, of course) to provide a second candidate for President -- STAY TUNED

Continued from page 13

"Dear Santa" continued ...

Call letters for Ernie.  
A "sleep-in" morning for 'KACharlie.  
A worthy opponent for Fred.  
Good health and long life for Barney.  
Time to visit the old PHMC gang for 'FW.  
A ten minute repeater "time-out" for "let me do this" Sam.  
A ten minute repeater "time-out" for "let me drop it" Gil.  
One more rig for 'HFY.  
A good spring planting for "Jelly Bean".  
A bigger bag for 'KABaker to take to the bank.  
More notice for 'MLR.  
A regular BLURB folding committee for Woody.  
A "Coffee Service" contract for Rollie.  
A commuter rail pass for 'RCE.  
Ear plugs for Dick.  
A new home and an active committee for 'TKO.  
Less steps for Paul and his clipboard.  
A reverse directory for 'ZPP.  
Lots of ideas from club members for 1986 BLURB covers for Sam.  
Closer meetings for M&N.  
Three cheers for Gil, twice president when the club needed him.  
A prosperous and Happy New Year for all!

#### OLE TIMER'S NIGHT REVISITED

54 old and young timers attended our annual dinner (58 if we count chef KA3AMO's family). The food was excellent as usual. (Rick had enough, too!) You could tell that everyone liked the food -- some were trying to get back in line for seconds before the first timers had all been served! Steve managed to keep order though.

Notice how we started on time? That's just to show those doubters that a Phil-Mont function CAN begin on time if you work at it!

Thanks to Paul for lending us the slides from the 70's. Who was the guy in the silver suit? Captain Who???

Speaking of Captains, thanks to Captain Video (Woody) for getting pictures of all the chow hounds leaving the serving line. That'll be fun to watch in future years! (How many times did Hal pass by?) Wonder how Woody's camera did in the Planetarium? Not much light in there!

Continued on page 15

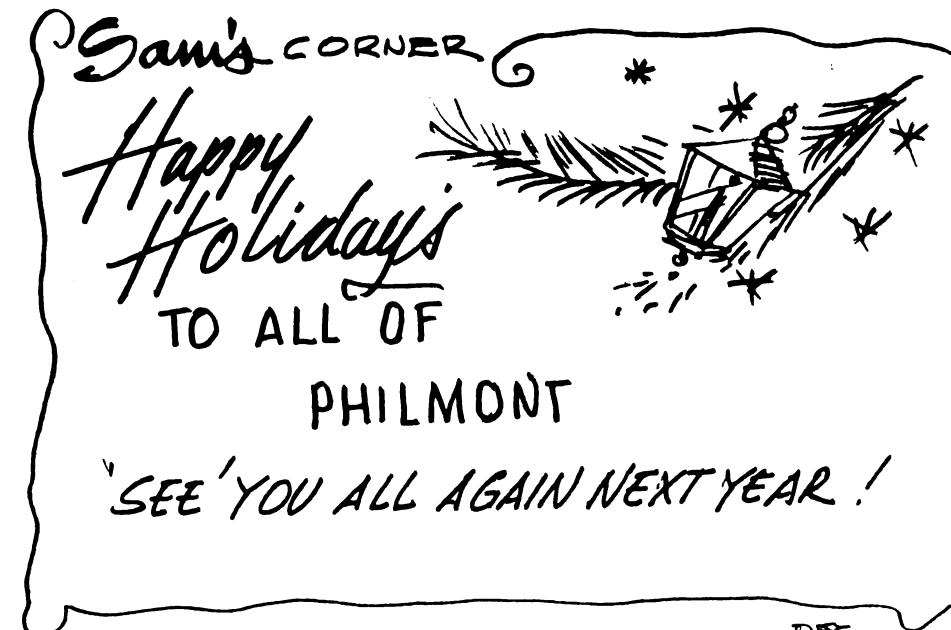

PREZ SEZ

This is my last writing as President. I believe that Phil-Mont has had another outstanding year with many new nets and activities, in addition to those which we have had for a number of years.

I wish to thank you, our Members, my fellow Officers and our Committee Members for the support that you have given to the Club during 1985. And to the 1986 incoming Officers I wish all the best.

Seasons Greetings, Merry Christmas and Happy New Year to all.

73  
Gil, W3SRU

MINUTES  
October 1985  
DIRECTORS' MEETING

W3SRU opened at 8:22 PM on October 16th. the meeting held at the home of W3HFY. In attendance were W3's VVS, BBB, IIM, IIN, IRS, N3DHI, KB3IV and K3GNM.

KB3IV gave the Treasurer's Report. W3SRU asked that the minutes of the October General Meeting not be read due to the amount of business on the agenda for the evening. Gil's request was approved by all present. After some pertinent questions, the Treasurer's Report was approved.

W3BBB reported that the club had received a \$75.00 check from the PACK RATS for our participation in their Hamfest, and that W3RM had donated a transmitter, which was sold, and the proceeds of \$50.00 were to go to the club.

W3SRU said that due to the death of W3AWH, the club was short a director and the board of directors should appoint someone to serve out John's term as director. Gil said that he had spoken to W3RM, and that he would be willing to serve as director. W3BBB then made a motion that Dick be elected as director to finish out W3AWH's term. The motion was passed unanimously.

Gil then asked for volunteers to form a nomination committee for the December election. The following volunteered to serve on that committee: W3VVS, K3GNM, W3IIM, W3IIN, and W3BBB. W3BBB was appointed as chairperson.

N3DHI reported that the 75 meter rig from the van had been sold for \$175.00. Rick said that the van needed a spare tire, at which time W3BBB said that there was a spare and rim in Doc Jacobs' barn. Arrangements will be made to get the tire and install it on the van. W3BBB said that he is working on the Sears generator for the van and that N3EAY was going to sandblast and paint the tower.

Gil said that he had been to a meeting on the National Disaster Drill coming up on November 16th, and that there will now be a need for 140 volunteer Hams. Mo-Com has been requested to be stationed at the Phila. airport as a major communications center. He also said that he had a letter from the Delaware Valley Council of Radio Clubs, asking if Phil-Mont was interested in participating in the council. After some lengthy discussion, the board agreed that Gil should go to the next meeting of the council as a representative of Phil-Mont.

Gil read a letter from AK2I, asking the board whether or not they wished to renew the W5YI report at a cost of \$18.00 a year. The board opted for renewal.

W3BBB reported that he had spoken with Stella Tinaglia, and she wanted to continue to receive the Blurb. Also, that even though John wished Phil-Mont to have all his Ham equipment, the heirs were not going to honor his request. Jim said that to date he had received \$380.00 in donations to Phil-Mont in memory of W3AWH. He asked that a separate fund be created, "The John Tinaglia Memorial Fund", for these donations to the club.

The meeting was adjourned at 10:12 PM.

Thanks to Hal and Edith for their hospitality.

W3IIN Hon. Secretary.

DEAR SANTA

I've been a good member this past year. I've spent a lot of time helping my club in different ways, so for Christmas and the coming New Year of 1986, I would like the following:

1. Meetings that start on time, in consideration of those who have travelled long and far to get there on time. Starting the meetings promptly will help them to end at a reasonable hour so everyone will be able to get back home before the Evening News is over. The traditional late-comers might hopefully realize that "PROMPTNESS IS SHOWING RESPECT FOR OTHER PEOPLE'S TIME".
2. A president who will first discuss with his proposed committee chairpersons his desire to appoint them as such so they will not be surprised when they see their names published in the BLURB.
3. A new repeater frequency so we won't have to listen to overpowered stations from the Eastern shore of Maryland and from Long Island.
4. The spreading of the knowledge that:
  - a. You are required to give your call ONLY ONCE every 10 minutes.
  - b. You are NOT REQUIRED to give the other station's call at any time unless handling third party traffic. (That rule was changed a few years ago.)
  - c. You are not required to use your call, or the other station's call, at the beginning of a QSO.
  - d. You are not required to use the other station's call at the end of a QSO.
  - e. It's such a waste of time to constantly have to listen to a string of call letters at the beginning and end of each side of a conversation.
  - f. The fact that we fastidiously recite call letters all day IS NOT what will set us apart from CBers. It's what we say, how we act, and the services we perform that justify our existence.
5. More participation from club members, some of whom seem to have the attitude that "I've put in my time. Now let someone else do it."

And on the lighter side:

A bottle of Baileys Irish Cream for Spence.  
A Super Lady to do Rick's laundry!  
A toy sailboat for The Patrone, so he has something to do this winter.  
A Phone patch for Don.  
A Phone patch for Natalie.  
An "exclusive listing" in Chestnut Hill for 'ALW.  
A dredged channel for Arnie.  
A helicopter for Jake's daily commute.  
A tower raising party for Ray.  
Part ownership in an auto parts store and a clean audit for "Oy Vey".  
A swimming partner for Hal.  
A new mike for PXY.  
A new mike for Brad (who sounds like PXY).  
A chauffeur for Dr. Carl, who would love to attend PMRC meetings.  
A chauffeur for Jackie, who would love to attend PMRC meetings.

Continued on page 14

"To the Board of Directors" continued ...

use the machine. We will in no way detract from the main purpose of our club and that is it's Mobile capabilities - We will enhance the Club's reputation.

4. That those members who care but continue to take from Amateur Radio without giving back remember please, that Amateur Radio is a Natural resource and if you continue to refuse to develop and nurture it we will all surely suffer the consequences of your inactivity, for unfortunately you are the majority (at least for now).

Respectfully,  
Jake Kovalchek AK2I  
11-11-85

#### OLD BUSINESS

##### THE BLURB 30 YEARS AGO DEC. 1955

The Phil-Mont sound movie "Every Single Minute" is a crowning achievement -- hats off to W3VXN and company. It will continue to spread Phil-Mont's name in the coming years.

The most significant fact about all these accomplishments is the club spirit that brought them about ... Let's get together to make the 1956 record even more outstanding. W3NIP

W3PQV and W3KNC made off with the ALMO and RESCO awards last month ... The annual banquet (113 attended) was the event of the year. "Jay" Gaul MC'd and we didn't hear one story about his kids either ... The prize committee headed by Elaine did a fine job ... The club deemed it an honor to give W3QV a very fine letter of commendation for his efforts in assisting the club throughout the year by keeping the frequency hot ... The club presented to W3VXN the "PMRC Meritorious Award for 1955" for his efforts in producing the documentary film "Every Single Minute" ... W3SGR is putting a new rig in his fire engine sporty station wagon.

#### OLD BUSINESS

##### THE BLURB 15 YEARS AGO DEC. 1970

W3WXC reported that W3QCV will retire from the Franklin Institute on January 1, 1971. He will be appointed Chairman of the Board, Emeritus.

Tom, WA3KLR, and Fred Bohlander enlisted in the Air Force on November 17th. and reported to Lachland Air Force Base in Texas.

A nice touch, not heretofore seen by this reporter in past issues of the BLURB: Resumes (ham related) of the PMRC candidates for office. Pres: K3NYL; K3TKZ; W2FUW, and V.P.: W3AJO; W3GOW; W3ADV.

#### MINUTES November 1985 GENERAL MEETING

The 432nd General Meeting of the Phil-Mont Mobile Radio Club was called to order at 8:06 P.M. on November 4, by W3SRU. Gil thanked our resident caterer, KA3AMO, for providing another splendid repast for our annual Ol' Timers Night dinner. There were 54 members and guests who attended and all had a fine time renewing old friendships and enjoying past reminiscences. Gil also thanked W3IIM for making the arrangements and W3VVS for the slide show of past PMRC activities.

W3IIN read the minutes of the October 16th Directors' Meeting. KB3IV gave the Treasurer's Report. Both reports were approved as read.

W3VVS reported that there were 43 members and 32 visitors present. Paul introduced Bryan Reid; Jim Bonk, son of N3JB; Elsie Bardsley, XYL K3OJA; Pat Farrell; Marion Fox, WA3YJR & XYL W3AA; Hal Rausch, W3AHP; Brad King, WB3BPI; Jerry Haldeman, XYL W3PST; Chris, Jennifer & Brian Hock, KA3AMO's harmonics; Mary Hock, sister KA3AMO; Pat Gillespie, XYL KB3JW; Bob Hartzel, K3ICY; Bill Michalaki; Jeff Morrow; Glen Odom; Greg Sokolski; Elaine Spencer, XYL W3BBB; Robin Masarsky, daughter KB3IV; Grace Smith, XYL K3GBA; Marion Perry, XYL N3AXJ; Doc Desai, J73YB from Domonique; Ruth Anne, XYL & Lee Ricker, son of N3EAY; Bill Coleman; Jerry Mahoney, W3FB; Bernie Hall, KI3H; Jay Anderson; Hank Schott, KA3BMS; Lfane Shade; and Danielle Concordia, daughter WB3KAC.

W3BBB reminded all that tonight was the deadline for ballots for Philmonter of the Year and all should turn them in to him. Jim then presented the following slate of officers for the December 1985 elections:

President: KA3BET	Vice President: N3ALW, W3LKI
Secretary: N3EAY, W3IIN	Treasurer: KB3IV, N2RM
Director: AK2I, W3IRS, WB3KAC, W3RM, W3ZPP	

Jim then read Section 3 of the Rules of Elections that state that more than one nominee must be presented for each office, and since the committee was unable to get a second nominee for the office of President, nominations were opened from the floor for this office and would be accepted until the close of the meeting. W3AA then nominated W3PST who respectfully declined, stating that he had enough to do editing the BLURB. There were no other nominations made.

Jim then dismissed the committee with a vote of thanks, saying that all its members volunteered at the October mid-month meeting and are to be commended for their efforts. W3VVS was appointed Judge of Elections.

W3SRU thanked all who participated in the Diabetes Walkathon. Gil gave a short run down on the up coming Disaster Drill, November 16th, and asked for some more operators for the event.

N3DHI introduced the program for the evening, the planetarium show "The Comet is Coming". All adjourned to the planetarium for a very interesting and informative show about Halley's Comet.

The meeting was adjourned at 8:57. Refreshments were enjoyed after the planetarium show, thanks to KA3AMO.

W3IIN - Hon. Secretary

W YNN LAURENCE LEPAGE, W3QCV  
1902 - 1985

I am pleased that I was asked to write about Laurence as I knew him in amateur radio. That is the part of his story that tells of his association with W3TKQ, our amateur station in the Franklin Institute. However, I must preface that part of his life story by saying that he did so many wonderful things during the earlier part of his life that there just is not enough space to include all of the details of that time.

W. Laurence LePage, W3QCV, Laurence was a very distinguished aeronautical engineer whose career paralleled the development of aviation in the century. He was President of the Platt-LePage Aircraft Company and made a remarkable contribution to the development of the helicopter in the days before WWII. He was Editor of "Aviation Magazine" and author of the "ABC of Flight." In 1966, he received the title of "Honorary Commander of the Most Excellent Order of the British Empire," from the Queen of England.

Twenty years ago when I was President of Phil-Mont I was proud and happy to write the following story in the March '66 issue of our BLURB. I don't think I could improve on it now, so I'll just copy it as it was written at that time.

"SPEAKING AS A FRIEND" by Fredwood S. Shaw, W3ADV

It would not be right, in this issue of the BLURB dedicated to W. Laurence LePage, to fail to tell the story of my experiences with him.

One evening in 1949, when Emma and I were having dinner in our home in Dexel Hill, I received a telephone call from a gentleman who spoke with an English accent - one that has since become very familiar to most of us. Laurence, for it was he, introduced himself and told me that he had made a converter for two meters and had been listening on that band for some time. In '49 the band was very active, and one of the most active clubs was the Haverford Township Emergency Radio Net, of which I was a member. Laurence, for some unknown reason, liked my voice and decided to call me. I invited him over to my shack, and a long friendship started. Laurence really wanted to become a licensed ham and with some encouragement on my part, soon became W3QCV and a member of the H. T. E. R. N. It was long before he got active on other bands.

Now, as you may have noticed, Laurence never stands still, he is always progressing in some new direction. So, he instigated the "ham" station at the Franklin Institute in 1951 and by one means or another we got the equipment and put W3TKQ on the air, sponsored by the H. T. E. R. N. Some years later, when we were both members of Phil-Mont, Laurence instigated the move to have Phil-Mont sponsor W3TKQ and move its meeting place to the Franklin Institute. You might say that Laurence was an "instigator." As a matter of fact, I would not be surprised to find out that he instigated the new Franklin Research Building that is so close to completion. What comes next, I do not know.

But all levity aside, I say, with a good measure of affection, that my friendship with Laurence has been long and enjoyable, and hope that it continues for many more years. And so it is that I speak for myself and all of the Phil-Mont members, when I congratulate W. Laurence LePage on his title of Honorary Commander of the Most Excellent Order of the British Empire.

Laurence, we are proud and happy to count you as one of our Phil-Mont members.

Fred, W3ADV, President,  
Phil-Mont Mobile Radio Club, 1966

At the time that Laurence and I first met he was the Executive Vice-President of The Franklin Institute. Sometime later, he became the President and he held that position for twelve years, the usual time being only four years. He then became Chairman of the Board of Managers of the Franklin Institute, which he held well into the seventies. During these years, in a great measure of Laurence's interest in our W3TKQ, the station became one of the principal exhibits at the institution. His influence and hard work got the Collins station equipment and the fine enclosure, built by our own Jim Spencer, W3BBB. That amateur station was one of the finest of its kind and became world renown. During this period, again, due to Laurence's influence, we came to have four retired amateurs work as demonstrators in Electrical Hall and work the station on alternate half-hours, seven days a week. Since I had been the Trustee of W3TKQ since its inception, I can tell you that Phil-Mont had a station to be proud of. I retired from that position in 1975, and, at about that time Laurence's interest in "ham" radio waned and he concentrated on color photography. Also, at this time, he concluded his position on the Board of Managers.

TO THE BOARD OF DIRECTORS  
The Phil-Mont Mobile Radio Club

It has been said that Amateur Radio is fast becoming an old man's hobby - a hobby that, if someone soon fails to infuse it with young blood and rejuvenated enthusiasm, will find it fading into oblivion and its unused frequencies being relocated and lost forever to those remaining. To remain stagnant in anything we do is to regress.

In my opinion this very same problem exists today to some degree in the Phil-Mont Mobile Radio Club. If someone or something does not happen soon we might find the club in real serious membership and financial difficulties. There seems to me to be several areas that need your attention and perhaps, providing any of the Board agrees, some revision:

First: The present By Laws require a potential membership candidate to attend three meetings of the club in any one year. Here, the natural assumption was made that if someone really had the desire to belong and had the fortitude to attend at least three meetings he or she would then be a better, more active member. This theory has not been proved in any way by any statistical analysis that I'm aware of, and I propose to plead for its elimination from the membership requirements. An argument for its retention says to lower our standards for membership allows people of questionable character to enter our ranks. On the contrary, I contend that its elimination permits those less skilled, new operators to become more involved much quicker, and it permits those eager to belong, eager to be accepted, eager to operate and to become acquainted with a peer group that really has a standing in the Amateur Radio community. I do not believe a meaningful correlation exists between the number of times one attends a meeting and the responsiveness he or she has to the club's activities.

No matter the organization, there will always be a nucleus of people always involved - the only difference we can hope for is the body they serve continue to grow - add to the Treasury and cause occasionally, the nucleus to expand with it.

Our club has not experienced a growth rate for some time now and it's time we do something about it. I ask the Board of Directors to consider these petitions:

1. That the membership requirements to the Club be reduced to a request for consideration for membership based solely upon desire and the individual's petition. Upon review by the Board in their usual manner, after examination of the application, vote membership at that time.

2. That we change the Brag tape from "Rag Chewing is not encouraged" to the outright encouragement of the machine for whatever fosters a better relationship between Phil-Mont and the Amateur Radio Society. The time is now!!!

3. That we upgrade the machine and attract new young operators who someday will be running the club. Let's take full advantage of the privileges we have, develop all the potential that exists for inducements into our club. Yes, that includes the addition of a phone patch - a device that has proven the cornerstone of some clubs; clubs that grow and have a financial base that would make ours look like the recess money of a Parochial school. Clubs who at best have just one meeting per year and provide nothing except the ability to

\*\*\*\*\* UPDATE \*\*\*\*\*

DECEMBER 2, ELECTIONS ELECTIONS ELECTIONS!!

JANUARY 5, New PMRC SNOW BIRD NET starts! Please see elsewhere in this issue for details.

JANUARY 6, General Meeting program: Bell of Pennsylvania presents "LET'S TALK TECHNOLOGY" The world of changing telecommunications technology; how it's changing the way we do business and how it's providing new opportunities.

A special membership vote will be taken on changes to the club's bylaws. BE THERE!

FEBRUARY 3, General Meeting program: To be announced.

S P E C I A L   N O T I C E

At the November Directors' Meeting a motion to amend the membership section of the bylaws was made by AK2I. A committee headed by W3RM met and prepared the following on which a vote by the general membership will be taken at the JANUARY general meeting (1/6/86).

In article 3, section 1 of the bylaws dated Dec. 1, 1979:

Delete the words "... and who has attended three (3) general meetings of the members ...."

Section 1 will then read in total as follows: "Any person holding a valid amateur radio operator's license issued by the government of the United States of America, shall be eligible for membership."

In article 3, section 2:

Delete the words "... endorsed by two (2) sponsors who have been members for at least six (6) months ..."

Section 2 will then begin as follows: "Election of Members. Applications for membership shall be made in the form prescribed by the Board of Directors ..."

Along in the early eighties it was apparent to me that Laur... LePage's health had taken a bad turn. Little by little his great mind took that downhill trend where it became difficult for him to think and talk, and finally, to even recognize those close to him, Alzheimer's, of course. At last, on October 21, 1985, he passed away. Those who knew him on the bands will well remember his cheerful, carefully enunciated, English accented voice.

As befitting such a fine person, on October 25, 1985, a beautiful funeral service was held in his memory at the Church of the Redeemer in Bryn Mawr. Many of his friends attended. Representing Phil-Mont were W3HQJ and XYL, W3ADV and XYL, and W3IRS.

W. Laurence LePage was my best friend and I am sad to make this report, but, I have many happy memories.

de Fredwood S. Shaw, W3ADV
